| Liquids Absorbed | : Acids, Caustics & unknown liquids |
| Contents/Package | : 1 roll/bag |
| Colour | : Pink |
| Dimensions | : 38 cm x 46 m |
| Composition | : 100% Polypropylene |
| Absorbency | : 74.3 L/Bag |
| Weight | : 6.8 Kg |

Description

- Fast-wicking PIG® Rip-&-Fit® HAZ-MAT Mat is quick and easy to use — just put the mat right on acid and caustic spills
- Perforated in two directions; tears easily at the perforations and makes it simple to get just the right size; use only what you need and reduce waste.
- Absorbs most acids, caustics and unknown liquids
- Specially treated to more quickly absorb more chemicals—including higher concentration corrosive liquids such as 98% sulfuric acid and 30% sodium hydroxide

|------------------------------------|--|
| Warnings & Restrictions | : ATTENTION: Independent testing indicates that PIG HAZ-MAT products are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that this product will absorb to your satisfaction. To insure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG HAZ-MAT products prior to purchase. If you have any questions or need samples to test, please call your local distributor. |
