Description

- PIG Absorbents in low cost, easy to close, hang and carry bag! PIG Socks stop spreading spills; PIG Mat absorbs quickly
- PIG HazMat Absorbents are specially treated for unsurpassed performance with concentrated corrosives, such as 98% sulfuric acid and 30% sodium hydroxide
- Temporary disposal bags help make clean up easier
- Durable see-through bag allows you to quickly and easily inspect spill kit supplies
- Heavy gauge polythene bag helps protect absorbents from moisture and damage during storage to ensure maximum product performance in use
- Convenient clip close handle makes kit easy to carry to spill site for rapid response during emergencies

Warnings & Restrictions	:	Independent testing indicates that PIG HAZ-MAT products arecompatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that this product will absorb to your satisfaction. To insure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIGHAZ-MAT products prior to purchase. If you have any questions or need samples to test, please call your local distributor.
